

HEALTH SCREENER CONFIRMATION

Wednesday, May 13
3-7 p.m.

Twin Lakes Recreation Center
1700 W. Bloomfield Rd.

Presented by:

Title Sponsor:

Bloomington Hospital

On behalf of the City of Bloomington Parks and Recreation, we're pleased to confirm your participation as a health screener in the 2015 50+ Expo – **"Tropical Paradise."**

Unloading/Parking:

The parking lot on the east side of the building provides easy access to the health screening materials drop off area. Upon arrival, you will be directed to the unloading area, where Expo staff and volunteers will help you with your materials and deliver them to your health screening area. You and additional staff from your organization should plan to park in the lower lot at Twin Lakes Sports Park (by softball fields) and take the Expo parking shuttle up to the TLRC. Thank you in advance for saving the upper parking lots for our visitors.

Check-in/Set-up:

Please check in with staff near the entry door upon your arrival to the 50+ Expo to receive your assigned health screening area and other important information. ***Please remember, it is very important that you tell the person checking you in that you are in the health screenings area and not the exhibitor area.*** Plan to set up your screening area on May 13 between 11 a.m. and 2 p.m.
All screenings must be completely set up by 2:30 p.m.

Booth Theme:

We encourage you to creatively incorporate the "Tropical Paradise" theme in your screening space. Expo visitors greatly enjoy the atmosphere of the event when everyone joins in! To get your creativity started, think about decorating your space with items depicting sandy beaches, scenic islands, blue seas, palm trees, colorful birds and fish, and other items associated with tropical areas. Don't forget your Hawaiian shirts and flip flops!

Follow-up Questions:

If you need additional information regarding screening space, setup, regulations, or directions to the Twin Lakes Recreation Center, please contact:
